

Round Hill Community Church GIVING PYRAMID

Please look at the chart above and take a step up in your giving for 2019. By increasing your giving, you will be a part of making the Church fiscally healthy and committed to our mission of being a force for good in the world.

The chart shows the number of contributions actually given by dollar range in 2018, and the number we need in each range (noted by the numbers in purple) to reach our goal of funding 60% of our operating expenses through contributions in 2019. If we reach this goal we will be able to maintain our current level of excellent staffing and programming.
